From the age of 11, one thing rang true for Brandon “DJ Samp” Sampson: Music is a universal language.

Growing up as the son of a local radio and TV personality in Grambling, Louisiana, DJ Samp witnessed the power of the right musical vibrations across cultural, economic, and social events early.

His passion for music became a career path while studying Mass Communications at East Texas Baptist University in Marshall, Texas. Soon after his football career ended, hip-hop stole his heart and the journey to DJing began with campus parties, weddings, and other events that are still legendary.

DJ Samp has transformed ordinary corporate, school, wedding, and private events across the South and Midwest with unforgettable mixes of Top 40, Rhythm & Blues, Hip-Hop, Latin, Reggae, and Old School jams.

Come prepared to dance and sing along! Catch the positive vibration and unity that will leave you saying “OH, you DJ Samp!” #OUDJSamp
