**“Growing** up around music has given me a great passion that I want to share with everyone.

Howard “TankTV” Melton was born in Fayetteville, NC but finished high school and college in Alabama. Where he grew a love for multiple different genres of music. Marching in the percussion section of the Marching Maroon & White Band at Alabama A&M University grew his love and talent in music even more. So much that after graduation he has been working on those crafts to provide the best experiences for all clients. TankTV wants everyone to feel like a star, on the dance floor and have a great time while doing it. He focuses on the music that makes you feel good at the right time. Some of his major influences in music are DJ Cool Herc, The Beatles, Aerosmith, Al Green, and Jermaine Dupri.
